

DO YOU HAVE TWO IN THE RIGHT PLACE?

JDC operates at the heart of events which shape today's economy. When it comes to mergers, company restructuring and spin-offs, expertise in complex business matters and in IT is much sought after. As one of the leading **consulting firms for SAP system landscapes**, we combine both to provide first-class services to our clients. We at JDC are looking for

NEW JUNIOR CONSULTANTS (M/F)

What we have are the most interesting clients, the trickiest tasks and the most exciting perspectives. **What we need** are people who can think precisely and in multiple dimensions – and sometimes outside the box.

Have you recently graduated? Do you already have some professional experience? Do you have an international focus and are you willing to travel? Then you could be what we are looking for: **excellent graduates and talented young professionals from all fields** who want to become the best of the best. Send us your application and show us that you have it in you to become a top-flight consultant. Further information at www.jdc-consulting.de
